

Strawberry Sorbet

By “Tasty”

Modified by Sophia Pentz

Ingredients

- 1 lb Fresh strawberries or prefrozen for a quicker make
- ¼ cup of honey

How to make it

- If fresh strawberries use a straw to push out stem through the middle then cut in half the freeze until hard on a baking sheet w/t parchment paper on it

- If frozen don't try to cut or put a straw through them. Leave them frozen and whole
- Put your 1 lb of strawberries and $\frac{1}{4}$ cup honey in a food processor. Combine until evenly mixed
- Transfer into a loaf pan and freeze until completely frozen

Enjoy!!
